THE attempt has been made in this Heysham Village Roll of Honour to include the names of "Old Boys" of the School as well as those who were living in Heysham at the date on which they enlisted.

The rank given against each man's name should be the rank he held on or before November 11th, 1918, and not that gained by promotion since Armistice Day.

Corrections will be welcomed for any future edition that may be printed. They should be sent to

BALDWIN BENT, The Lodge, Heysham.
